GovPayNet®

We Make Payment Simple.

What Is GovPayNet:

GovPayNet is a category leader in processing credit, debit, and prepaid debit card payments to government agencies. More than one million cardholders annually rely on us when making their payments to over 2,000 agencies in more than 40 states.

GovPayNet provides a convenient way to make timely payments on a wide range of obligations, including **fees, real estate & other taxes, utility payments, cash bail/bond, court fines & costs, traffic tickets, child support, and more.** For the convenience of both consumers and agencies, GovPayNet accepts the major credit and debit card brands: Visa®, MasterCard®, American Express®, and Discover®.

Why GovPayNet:

GovPayNet gives cardholders the freedom and flexibility to pay when, where and how they want while providing many benefits to government agencies:

- Three ways to pay: on-site, online or by phone
- GovPayNet handles all cardholder calls and inquiries regarding payment issues
- Fully staffed, bilingual call center with live operators available 24/7
- Safe & Secure – GovPayNet uses an all-Internet, PCI Level 1-rated system
- Patent-pending technologies, including our *Gov\$wipe*® solution for countertop payments

Cost:

There are no charges to government agencies for participation in the GovPayNet service – GovPayNet collects a service fee from all cardholders at the time of their transaction.

Where:

GovPayNet's corporate offices are located at 7102 Lakeview Parkway West Drive, Indianapolis, Indiana 46268. Sales representatives are based regionally throughout the country.
