

JANUARY 14, 2020
VILLAGE OF SOMERSET COUNCIL MEETING

MEMBERS PRESENT WERE: Eric Emmert, Bill Mohler and David Snider as acting Mayor. Also present were Kelly Beem, Solicitor Will Flautt , Karen Cooperider and Jim Wilson from BPA

There was no quorum, so no discussion or decisions were made.

We did have a couple guests that was listened to.

Jim Sweeney spoke about his progress with MKSK with the Zoning Ordinance and he will need to have a contract extension to continue. He will return to the next meeting.

Michelle Robinson introduced Dee Martir from PACE. PACE is Property Access Clean Air Economy. With PACE, a Business Owner can upgrade their facility for Energy Efficiency and be able to convert the costs on the property taxes. The taxes will be paid to the Village, and The Village will forward the payments to PACE. Michelle is interested in this for her new Hotel.
