MINUTES: The minutes from May, 3, 2022 was reviewed. Karen motioned to approve the minutes, seconded by Jim.

Still looking for a tractor to replace the one from the fire.

Generator is purchased.

Meter readings will be done the 10th thru the 18th of each month. Rusty is to get the sheets on the 10th. There were only 5% read incorrectly.

We are still waiting on Ohio TT to install the Broadband at the two plants. Karen will call them this week as well.

The pool is filled. Ike did complete the lock service on the pool.

There is a leak at the Gay Street Water Tank. Mitch could not find anything to repair the leak, but is looking into emergency funds for this.

EPA is questioning lead service lines and wanting a report by 2024. Ike must complete part of the report by August 2022. Greg will get with Ike to complete the form.

There was only one tree cut down at the sewer plant.

PAY ORDINANCES: 4-26-2022 Motioned to approve by Greg, seconded by Jim.

5-10-2022 Motioned to approve by Greg, seconded by Karen.

Paul had no additional comments, but is to continue to look for a tractor. The generator needs cable, and he is to add to the content list of building.

Meeting adjourned.
